**Subject:** R.21-10-002\_Email Ruling Granting Motion for Extension of Time, in Part, and Modifying the Phase 1 Schedule

A Motion for Extension of Time was filed by California Community Choice Association, Calpine Corporation, Middle River Power, LLC, and Western Power Trading Forum (Joint Movants). Joint Movants seeks an extension to the Phase 1 schedule in the Assigned Commissioner's Scoping Memo and Ruling (Scoping Memo) to allow proposals to be submitted on December 23, 2021 (rather than December 13) following the discussion at the December 14 workshop.

The Scoping Memo incorporated the following schedule for Phase 1 issues:

Phase 1 Schedule	
Phase 1 proposals filed	December 13, 2021
Workshop on proposals facilitated by Energy Division	December 14, 2021
Comments on proposals and workshop	January 4, 2022
Reply comments on proposals and workshop	January 13, 2022
Proposed Decision on Phase 1	February 2022
Final Decision on Phase 1	March 2022

To allow sufficient time to issue a proposed decision on Phase 1 by February 2022, it is necessary to maintain the current Phase 1 schedule. However, an additional deadline can be added for new or revised Phase 1 proposals following the December 14 workshop. Accordingly, the motion for extension of time is granted, in part, to allow new or revised Phase 1 proposals on December 23. All other dates remain unchanged.

The Phase 1 schedule in the Scoping Memo is modified as follows:

Modified Phase 1 Schedule	
Initial Phase 1 proposals filed	December 13, 2021
Workshop on proposals facilitated by Energy Division	December 14, 2021
New or Revised Phase 1 proposals filed	December 23, 2021
Comments on proposals and workshop	January 4, 2022
Reply comments on proposals and workshop	January 13, 2022
Proposed Decision on Phase 1	February 2022
Final Decision on Phase 1	March 2022

**DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.**
